Discover the Art of Magic ...

Come to a land of adventure and mystery, of falling empires and rising nations, of legendary creatures and incredible myths. This is **Ars Magica's** Mythic Europe, where the power of magic is real and exists alongside medieval figures and locations.

You'll take many roles. At times, you may be a grog; a stalwart guard of the covenant, well-paid for your labors with a life far more exciting than that of the common folk. At other times, you take the role of a companion; a respected friend of the covenant, using your professional skills for a share of the glory and the reward. You'll also play a magus; a wizard of legendary power and a leader of the covenant. With each role you play, though, you have knowledge few others possess: you know of **Ars Magica**, the art of magic.
