

ATLAS GAMES

DEMONSTRATION

Charting New Realms of Imagination ...

Since 1990, Atlas Games has created fantastic adventures, brutal childish scuffles, and compelling storytelling experiences.

We've brought new games to the table, such as **Lunch Money**, **Once Upon A Time**, and **On the Edge**; we've given new life to the

classic games we've inherited, such as **Ars Magica** and **Feng Shui**; and we've changed the way gamers think of roleplaying games with products like **Over the Edge**, **Unknown Armies**, and **Rune**.

Atlas Games invites you to dig deeper into your own imagination. We'll show you the way.
