

DEMONSTRATION

**The true power of *Feng Shui* is known only to a few...
...too bad they all want you dead.**

Bad guys are coming out of the woodwork to wage the secret war. Powerful eunuch sorcerers from ancient China. Modern-day conspiracy masterminds. Cyber-demonic scientists from the future.

They've almost won: Portals through time lay bare a secret history of our world, a history that changes like the breeze and can erase you without you even knowing it.

There's only one thing standing between these monstrous powers and complete control of all of human history: you and your buddies.

But you aren't just anyone.

You're *secret warriors* – a group of butt-kicking, kung-fu fighting, spell-chucking, pistol-packing badasses. It's up to you to save the world, or die trying.

Feng Shui is the Hong Kong martial arts action-movie roleplaying game. It was originally published by Daedalus Entertainment in 1996, but Atlas Games has now engineered its Golden Comeback. The Atlas Games edition features the same text as the original in a new format including new artwork, layout, and a hardcover binding.
